A white notification modal with a blue checkmark icon in the top left and a red 'X' icon in the top right. The text reads: "Your team's campaign is live! You're all set to start fundraising. Share it with your team members so they can start fundraising too!" At the bottom, there are two buttons: "View campaign" (white with blue border) and "Copy share link" (green with white text).

**“If paying online, complete payment here. If paying by cheque, close this page — do not submit payment online.”**

A fundraising page for a team. At the top, it says "Team" in a blue pill. The main heading is "Your Team Name". Below that, a paragraph reads: "We welcome you amazing fundraisers! We are getting proactive and reaching out to the community well in advance of our yearly One Million Meals Peterborough. Create your own fundraising page, share with family and friends, and enjoy the satisfaction of seeing support for the cause you care about." There is a link "More details" with an external icon. Below a horizontal line, there is a section "I want to help fundraise" with a "Fundraise" button and the text "Fundraise with this team to help them reach their goals." Underneath, it says "Choose an amount:" followed by four buttons: "\$25", "\$50", "\$75", and "\$100". Below these is a large input field with a dollar sign icon and the text "Enter the amount you are paying for your team members". Below the input field is the text "You will receive an immediate tax receipt." At the bottom is a large blue button labeled "Continue" with a right-pointing arrow.

## Next Steps....

- Email Shirley [shirley@kahcanada.org](mailto:shirley@kahcanada.org) with the amount paid (online or cheque).
- Include your list of packers (first name, last name, email).
- Shirley registers each packer and adds them to your team.
- Packers receive their own fundraising pages automatically. (*Because this is a paid registration, no additional fundraising is required unless they choose to.*)
- Shirley confirms when all registrations are complete.
